

GOVERNMENT OF PAKISTAN
MINISTRY OF ENERGY (POWER DIVISION)
NATIONAL ENERGY EFFICIENCY & CONSERVATION AUTHORITY

REQUEST FOR PROPOSAL (RFP)

HIRING OF CONSULTANT TO DEVELOP ENLISTING CRITERIA FOR APPLIANCES TESTING LABS UNDER PAKISTAN ENERGY LABEL REGULATIONS 2023

National Energy Efficiency & Conservation Authority (NEECA) is sole federal authority for initiating, catalyzing, carrying out and coordinating the implementation of all energy conservation programs in all sectors of economy.

NEECA has developed Pakistan Energy Label Regulations 2023 for five electrical appliances namely fans, room air conditioners, household refrigerating appliances, motors, and LED lights. The implementation of these regulations necessitates enlistment of testing labs with NEECA for acceptance of the energy performance testing of appliances.

To facilitate this essential process, NEECA is seeking the services of a qualified consultant for developing the criteria for the enlistment of appliance testing labs ensuring alignment with Local and International best practices and standards and providing the relevant standards under which the testing of appliances will be conducted. The developed criteria must ensure financial sustainability, with close consideration given to the activities involved in enlisting the labs.

Experience

The ideal candidate must possess Minimum ten (10) year of experience verifiable through documents of which at least five (5) years should be relevant to the lab accreditation, appliance testing and regulatory framework for lab certifications and compliance requirements related to energy efficiency testing.

Application Procedures

For Detail TORs, please visit the official website of the NEECA (www.neeca.gov.pk) or email us at info@neeca.gov.pk. Last date for the submission of the application is May 27 , 2024.
